Last Updated Wednesday, 25 October 2006

A big hi to everybody out there, my name is Richard Renwick. I came to Taranaki, New Zealand some 30 years ago from Whangarei. I fell in love with Taranaki. The surf was pumping and the mountain was out in all its beauty. I have been overseas many times but have always been drawn back to Taranaki. Today I am still enjoying and discovering this great place. Taranaki Shop when in Taranaki call into Heydon Priest Oakura, service station.
